

Brendan Muir

CG Artist

77 Finch Ave E - 647 - 274 - 5556 - contact@brendanmuir.com - www.brendanmuir.com

Objective

I am outstanding cg artist, specializing in prop modeling and texturing. My rich imagination coupled with my excellent knowledge and use of applicable software allows me to create stunning models for use in both low resolution or high resolution situations. I am an adaptable, versatile artist, which allows me to match the given productions' designs, while also meeting any strict deadlines. I am sensitive, and able to create artwork which appeals to a variety of demographics. I excel at architectural details, as well as life-like organic landscapes. I am able to work in high pressure environments, and I am able to see projects through to completion. My creative abilities, meticulous attention to detail and strong work ethic, make me the ideal candidate for employment with any cg company.
